CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 1923

Introduced by Assembly Member Anderson

February 12, 2008

An act to amend Section 4575 of the Penal Code, relating to correctional facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 1923, as amended, Anderson. Local correctional facilities: contraband.

Existing law generally regulates the conditions of incarceration for prisoners in a local correctional facility, and specifically prohibits the unauthorized possession of a wireless communication device or the possession of tobacco products by inmates, as defined.

This bill would prohibit any unauthorized person *housed in a local correctional facility* from possessing a handcuff key, as defined, ~~in a local correctional facility~~. A violation of that provision would be a misdemeanor. Because the bill would create a new crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 4575 of the Penal Code is amended to read:

4575. (a) Any person in a local correctional facility who possesses a wireless communication device, including, but not limited to, a cellular telephone, pager, or wireless Internet device, who is not authorized to possess that item is guilty of a misdemeanor, punishable by a fine of not more than one thousand dollars (\$1,000).

(b) Any person housed in a local correctional facility who possesses any tobacco products in any form, including snuff products, smoking paraphernalia, any device that is intended to be used for ingesting or consuming tobacco, or any container or dispenser used for any of those products, is guilty of an infraction, punishable by a fine not exceeding two hundred fifty dollars (\$250).

(c) Money collected pursuant to this section shall be placed into the inmate welfare fund, as specified in Section 4025.

(d) Any person *housed* in a local correctional facility who possesses a handcuff key who is not authorized to possess that item is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding six months, or by a fine of up to one thousand dollars (\$1,000), or by both that imprisonment and fine. As used in this subdivision, “handcuff key” means any device designed or intended to open or unlatch a handcuff.

(e) Subdivision (b) shall only apply to a person in a local correctional facility in a county in which the board of supervisors has adopted an ordinance or passed a resolution banning tobacco in its correctional facilities.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within

1 the meaning of Section 6 of Article XIII B of the California
2 Constitution.
